CONSENT TO USE IMAGES OR PHOTOGRAPHS

North Yorkshire County Council use still and video images both for coaching / teaching purposes and for the purpose of producing printed information, displays, presentations, exhibitions, and promotional material (literature, website, DVD and CD). Collections of images may be provided for schools/groups at the end of their course as a memento. Such images will **NOT** be used for anything that may cause offence, embarrassment, or distress to participants. Such images will **NOT** identify any person by name unless specific permission is sought at the time and no record of names will be kept with any stored images unless specific permission has been sought.

We would be very grateful for your consent to use such images. We take the issue of safety very seriously and are selective in images which we use and keep – but a cheerful, smiling face enjoying an activity is preferable to an unidentifiable person hidden behind a hood.

I have read the above and I give / do not give consent for North Yorkshire Outdoor Learning Service to take, store, and use images of myself for the purposes described. **Please delete as appropriate.**
